Transport back to Munich for ASCOMED FLT

Breakouts

Joint Operational Logistics

Goal: Improve our current processes to maximize warfighter support in a joint environment

Lesson Learned OEF/OIF

Goals: Understand what we did right and what we could do better, logistically, to support future operations.

EUCOM Joint Contracting Transformation

Goal: Can we consolidate our efforts and possibly our contracting commands, within the EUCOM Theater, to provide better contracting support to the warfighter at a lower cost.

Joint CCO Workshop

Goal: How can we improve our contingency contracting operations to support the warfighter. Topics include: CCO resource management, contractors in the battlefield, Operational Tasking procedures, contracting collaboration at all levels

MED/ EURO/AFRICA logistics Support

Goal: Discuss process improvement for various operations in the Theater
